

Referral Partners

CONNECT EMPLOYERS WITH THE LEADING HEALTHCARE REFORM SOLUTION

TOGETHER WE CAN DO MORE

Your employer customers trust your expertise and rely on your partnership to deliver employee benefits that help them acquire and retain talent. When it comes to Affordable Care Act (ACA) compliance and reporting, it's no different. To be competitive in today's market, you need an ACA solution you and your customers can count on. Are you providing the tools and support to help your customers succeed under the ACA and future healthcare laws?

The Health e(fx) Referral Partner program allows third-party administrators, brokers, and consultants to bring the leading ACA compliance and reporting solutions to employer customers at preferred pricing. As our partner, your success is our success. We take this commitment seriously, and deliver the resources you need to be successful—from sales and marketing support to data and analytics tools.

Health e(fx) simplifies ACA compliance and reporting for employers—even as the laws change. In the midst of industry change, we continue to invest in our technology. As a result, our system adapts to federal and state regulatory changes as they happen. This means your customers can have peace of mind that they will stay compliant through change.

**Be an ACA leader without being an expert.
We can help.**

AS A HEALTH E(FX) REFERRAL PARTNER, YOU RECEIVE:

Sales and marketing support

We ensure your success by assigning a designated Sales Executive and providing a customized marketing microsite and a structured proposal and demo system.

Access to data and analytics

With customer authorization, you receive access to aggregated workforce data and analytics tools that forecast impact of eligibility and benefits changes.

Customer satisfaction and loyalty

We deliver the leading ACA solution and highest levels of expertise and service to your customers, so you look good every step of the way.

Referral Program

Ready to Partner?

We'll take great care of your customers. Through partnership, we mutually support employers in achieving ACA compliance. Your customers directly contract with Health e(fx) for preferred pricing. Along with access to the leading ACA compliance and reporting solution, employers receive ongoing system training, regular product and timing updates, and an assigned highly experienced customer implementation and support team.

Health e(fx) solutions solve your customers' greatest challenges. With Health e(fx) continued investment in reform, you will be connecting your customers with the long-term reporting and compliance industry leader. **Our solution:**

Minimizes risks and costs

- Helps your customers evaluate and respond to risks as Forms 1095 are built each month, minimizing risk and potential penalties while avoiding end-of-year chaos.

Simplifies the complex

- Alleviates the burden on HR teams through expert implementation and easy-to-use technology.

Drives strategic benefits decisions

- Provides proactive workforce insights into medical benefits strategies at the employer/customer level.

HERE'S HOW IT WORKS:

About Health e(fx)

Built to deliver unparalleled data-driven insights, Health e(fx) simplifies and supports strategic decisions around healthcare compliance and reporting, benefits, and workforce management—even as the laws change. Always up to date, our flexible cloud technology quickly adapts to new federal and state requirements as they happen. Through investment and innovation, our easy-to-use solutions are designed to meet the needs of employers and our channel partners today as well as in the future. Choose Health e(fx) to manage complexity, minimize risk and cost, remove the burden on human resources teams, and provide strategic insights into benefits decisions.
