

CHOOSE THE EMPLOYER SOLUTION THAT'S RIGHT FOR YOU

Built to deliver unparalleled data-driven insights, Health e(fx) simplifies and supports strategic decisions around healthcare compliance and reporting, benefits, and workforce management—even as the laws change. We offer two options for data management in our employer products: Enterprise™ and Reporting Plus™.

Enterprise: provides full-service data aggregation and transformation services as well as compliance management, reporting and IRS submission.

Reporting Plus: transparent and simplified reporting and IRS submission for employers who have already aggregated their data.

Here's a detailed view of the capabilities of both solutions.
